Consultation Framework

November 2023

We have designed a consultation framework to exceed the regulatory requirements. We invite anyone to engage in the design and environmental management of the Regia MSS. Take our Consultation Survey to determine if you are a relevant person and determine the best way for your voice to be heard.

Take our Consultation Survey to determine if you are a relevant person

Submit instant feedback

In a rush? Submit instant feedback to us through the website at any time.

Consultation Timeline

Consultation Status

February 2023 — OPEN

OPEN

December 2023 — OPEN

Early 2024 — ESTIMATED COMPLETION

Post-acceptance — ONGOING

Relevant Persons Consultation

Receive initial letter about the Regia MSS

Co-design the consultation process and agree the risk criteria

Two-way Dialogue

- Exchange tailored information
- Discuss impact & risk minimisation
- Raise objections or claims

Understand how unresolved objections and claims will be presented to the regulator

Make public comment to the regulator

Ongoing consultation as agreed

Relevant Persons Consultation Methods

- Request tailored information flyers
- Online and face-to-face meetings
- Talk with our environment team
- Group meetings
- Request extracts of the approval document
- Exchange letters

All public engagement methods are also available to relevant persons

Consultation efforts pause to allow CGG to prepare the EP submission for public comment.

Public Engagement

Read the information on the website

Public Engagement Methods

- Submit instant feedback at any time
- Provide feedback through the website
- Comment on the interactive map
- Subscribe to the newsletter
- Call the hotline mobile number
- Send an email
- Attend a webinar
- Attend a townhall meeting

Make public comment to the regulator

The full Community Consultation and Engagement Plan is available on the website. As the EP is developed more information will become available each month. It will be published online to support consultation with relevant persons and public engagement. Draft EP content will be made available as it is prepared.

Activity carried out by CGG
